YEAR OF FRANSALIAN YOUTH

16TH APRIL 2023 TO 31ST MARCH 2024

Fr Antony Mookenthottam MSFS

Fondly Remembered!

Holy Eucharistic celebration at Suvidya College Chapel on the 3rd death anniversary of Rev. Fr Antony Moookenthottam MSFS.

On 3rd January 2023, our beloved Fr Antony Mookenthottam was fondly remembered at his death anniversary Mass held at Suvidya College Chapel. The Mass was presided over by Fr Thomas Kalariparambil MSFS, the Provincial of South West India Province with 19 MSFS confreres and a Salvatorian Father K. J. Jose concelebrating with him. In his introduction to the Mass Fr Provincial recalled how Fr Anthony was an inspiration for him during his seminary days and later as a priest and as a professor at Suvidya College. His close collaboration with Fr Anthony as his secretary during his regency gave better insight into the personality of this saintly Fransalian as the one who epitomized the Salesian virtues in his life. Fr Provincial affirmed that Fr Antony remains an inspiration to all who knew him. In his homily Fr Jacob Parappally MSFS highlighted the contribution Fr Antony has made to the Church as an Indian theologian and philosopher, as a Fransalian who lived the humanness of St Francis de Sales, as a pastor with a heart for the people especially the poor and the needy and as a spiritual director who could enthuse, challenge and inspire those who approached him for spiritual guidance. He informed those assembled that from time-to-time lay people and religious visit his tomb and request favours through his intercession. The memorial Mass was concluded with the office of the dead at the tomb of Fr Antony officiated by Fr Benny Koottanal MSFS. May Fr Anthony intercede for us!

De Sales Career Academy
Ettumanoor

Fr Soby Maroor MSFS

The De Sales Career Academy was blessed and opened in the vicinity of SFS Public School, Ettumanoor, on Monday, 24 April 2023.

The staff and students assembled at the KG Quadrangle for the programme at 11.00 a.m. Fathers from neighbouring MSFS Houses graced the occasion with their valuable presence. The cynosure of all eyes, however, was the Provincial Superior, Rev Dr Thomas Kalariparambil MSFS who was offered a rousing welcome as it was also his maiden visit. During the meeting, the Provincial addressed the students and elders, and gave a moving motiva-tional speech, urging them to excel in whatever area they had a natural inclination for, rather than be coerced to follow courses that scarcely suited their aptitudes.

He exhibited an unmatched ability to articulate even controversial issues with conviction and persuasive clarity. He said today education is available, accessible and affordable to all. Along the way, the MSFS Fathers have healed wounds, saved lives, mended hearts, re-stored smiles, revived hope, reaffirmed faith, bridged gaps, broken barriers and redefined benchmarks.

SFS has reached across multiple verticals and is today widely considered a force to reckon with. Education, it is often said, is the passport to the future. For, tomorrow belongs to those who prepare for it today. As the Provincial pointed out, content innovation and an unswerving focus on student development is the only way to stay ahead.

Future societies are all going to be knowledge-driven ones. We have to seriously and urgently invest in our coming generation. We need to review, revamp and relate to reality.

The Academy will initially focus on coaching for the JEE and NEET exams. Gradually the focus will shift to coaching in German and French, as also OET and IELTS. As a matter of fact, the school had started a career coaching centre way back in 2016. At that time the focus was on coaching up students to face the entrance examinations conducted by the government of Kerala for selection to professional courses. With the skeletal facilities available in those days, it was sufficient for our purposes.

Now with the establishment of state-of-the-art infrastructure facilities at the new building, the idea is to offer a broader spectrum of opportunities to students who seek their future prospects anywhere in the wide world.

Students will be solidly supported by the competent staff at the Academy in their pursuit of most modern courses in language studies and technological innovations.

The blessing of the Academy was done in the KG Quadrangle. The Academy stands slim and proud against the greenery of the surroundings. It is a 4-storeyed building fronted by a lovely facade and can accommodate a hundred or more students.

The songs and dances that interspersed the meeting added colour and vitality to the function. The next VIP on the dais was Shri Stephen Joseph, director of the Brilliant Study Centre, Palai. He expressed his unalloyed admiration for the school which, in his opinion, is the best institute of all the 24 such centres where the Brilliant staffs have been offering coaching. He also presented a special award and cash prize to the school topper in Brilliant's NEET model exam, Ms Akarsha A Kamath. It was a proud moment both for the student and her mother who had accompanied her.

Fr Jose Parapillil, school manager, explained how the Career Academy is being run in collaboration with the Aluva-based De Sales Academy for Talents (DATA) and the staff of Brilliant Study Centre, Pala. The Academy aims to empower, energize and enthuse students. It will inspire and influence them. It will set the industry-defining standards for the future, Fr Parapillil pointed out.

We live in a world of cut-throat competition; if we do not rise above the average education-al institution, we cannot make an impact on the student community. With the kind of commitment that is the hallmark of the MSFS Fathers in all their institutions, we have reason to hope for brighter better days.

The function ended with a luscious lunch for all participants.

CONGRATULATIONS
to Dr Roy Plathottathil MSFS

Rev. Fr Roy Plathottathil MSFS has successfully defended his doctoral thesis in the field of Sociology on the 23rd of November 2022 and is accorded with the title "Doctor of Philosophy". The title of his thesis is: **A Comparative Study on the Effects of Cooperative Learning on the Academic Performance of Students in a Sociology Course.** Congratulations Fr Roy and wish you God's abundant Blessings for your future ministry.

Blessing of *Live Jesus* Chapel at Ettumanoor

Fr Jose Parapillil MSFS

The Community of SFS Seminary Ettumanoor lived a Grace-filled moment at the Blessing of the New Cemetery Chapel on 24 April 2023 by Rev. Fr. James Manjackal MSFS in the presence of the Provincial Rev. Fr. Thomas Kalariparambil MSFS, the confreres from Charis Bhavan and other confreres. It is named Live -Jesus Chapel. It has been the desire of every msfs and others who used to visit the cemetery that we should have a better ambience for the confreres who have here their final resting place on earth. Hence concerted efforts were made by the community to create a Divine ambience. We have now 23 confreres resting with us, 4 from East Africa and 19 from SW Province. The mortal remains of Fr. George Vayalil, the Pioneer of Missionary movement from Kerala and the Founder of SFS Seminary has been shifted to a separate tomb in reverence for him by the future generation. This chapel is constructed and blessed as a Souvenir of the Sacerdotal Golden Jubilee of Fr. James Manjackal who has sponsored the construction of the same. We believe that praying in this chapel would bring abundant blessings for the seminary. Live – Jesus.
