Salesian Seminar and Retreat

Bro. Jerry Balthasar MSFS

The Salesian retreat began on May 1st 2023 at the Mary Matha Shrine in Rose Hill, Visakhapatnam. It was attended by 21 brothers who were preparing to make their perpetual profession, and among them, 8 brothers were from Tejas Vidya Peetha. It was the first time that the Salesian retreat was conducted in Visakhapatnam. Previously, it had been held either in Makkiyad or IIS. The experience was truly enriching for all of us as

we embarked on a 21-day journey deeply immersed in Salesian spirituality.

The preachers who guided us during the retreat played a pivotal role in helping us explore the rich spiritual legacy left behind by our beloved patron. They also instilled in us a profound love for Salesian spirituality. Another remarkable aspect of the retreat was the spiritual heritage journey we undertook during two Sundays. Visiting the significant locations associated with our congregation, where our pioneering missionaries had worked, was undeniably a deeply spiritual and moving experience for each one of us.

Priestly and Diaconate Ordinations: Chad Cameroun Delegation

Fr Manoj Arackal MSFS

July 8th 2023 marked a day of immense joy for the Fransalians in the Chad Cameroun delegation as they celebrated the ordination of Dn. Antony George Keyzhakthottam as a priest, along with the ordination of two of our brothers, namely Temgoua Jacques Clovis and Adzaba Evang William Favier Henri, who were ordained as deacons. The ordinations were officiated by His Lordship Guillaume Leschallier de Lisle, the auxiliary bishop of Meaux, France. This special event took place at the Minor Basilica of Mary, Queen of Apostles, in Yaoundé, Cameroon. They were ordained alongside 8 other deacons and 12 priests.

Despite the liturgical celebration lasting for an impressive 4 hours, the fully packed basilica with over 4,000 faithful made the time fly by. This was due to the enchanting melodies of the singing and the rhythmic dancing that filled the air. Heartfelt congratulations go out to the newly ordained deacons. As Sacred Scripture reminds us, "Many are called, but few are chosen" (Matthew 22:14). We extend our best wishes to them for a successful and fruitful ministry ahead.

Blessing of the Newly Built Grotto at Indian Institute of Spirituality

Fr Benny Koottanal MSFS

On 9th July 2023 the newly constructed Grotto within the premises of Indian Institute of Spirituality was blessed by Rev Fr Thomas Kalariparambil MSFS, the Provincial of South West India Province. This solemn blessing ceremony took place in the presence of the entire student body of IIS, including students enrolled in the Diploma Course, Licentiate, and Doctorate programs. More than 100 lay individuals, religious, and priests from the local community also joined in this special event.

The Grotto is situated at the pivotal point, in the middle of the lawn of the institute, beckoning all to partake in a serene and meditative atmosphere conducive to experiencing the divine presence. This well-conceived and artistically crafted Grotto symbolically bridges the gap between divine providence and human brokenness.

- The statue of Jesus, with His outstretched arms, symbolizes the message from the Gospel of Matthew 11:28-30: "Come to me, all who labour and are heavy laden, and I will give you rest..."
- The first pot signifies that anyone who comes to Jesus receives abundantly from His boundless grace.
- The second pot, depicted as broken, signifies our approach to Jesus in our moments of brokenness, where we receive from His boundless grace.
- The third pot, also broken, represents our role in sharing the blessings we receive from the fullness of Jesus with others who are also broken.
- The unbroken vessels and pots emphasize our surrender of our brokenness, as well as the brokenness of humanity, as we collectively strive to receive the fullness of Jesus Christ.

With hearts filled with gratitude, the staff and students of IIS extend our heartfelt thanks to God and all the individuals who contributed to the construction of this Grotto. It is our collective wish and prayer that all who visit these premises and behold this Grotto encounter Jesus, the healer, in their moments of brokenness, and in turn, become 'healed healers.'

Heritage Retreat

Fr. Shajan Manickathan, MSFS

The De Sales and Mermier (DSM) Heritage Retreat of 2023 was a truly remarkable journey that will remain etched in our hearts and minds. This first-ever De Sales and Mermier (DSM) Heritage retreat was organized for the priests of the congregation who are above 40 years of age, offering them a profound spiritual pilgrimage following in the footsteps of St. Francis de Sales and Fr. Peter Mary Mermier. The program spanned from May 09 to May 22, 2023.

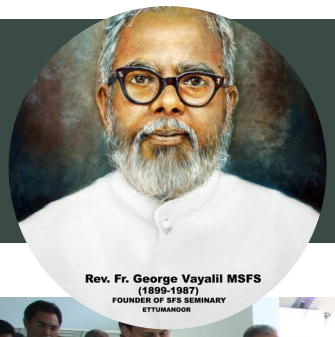

Seven confreres, representing the seven Indian provinces, enthusiastically participated in this retreat, namely, Frs. Aji Cherian (Dibrugarh), Elvis Rodrigues (Pune), Balajoji (Visakhapatnam), Francis Xavier (South East), K.V. Joseph (Nagpur), Thomas Paul (Guwahati), and Shajan M (South West). The retreat unfolded in three distinct phases, each taking place in different locations, namely Chavanod, Annecy, and Rome. The coordination of the program at various levels was skilfully handled by Fr. J Stephen, the General Secretary for SAIM, and Fr. Samuel Thomas.

During the first phase at Chavanod, situated in the mother house of the Sisters of the Cross of Chavanod, Frs. Samuel Thomas and Stephen Avilou guided us in deep reflections on Salesian themes. In the second phase, Fr. John Hepuni, the admonitor of the Franco-Swiss Province, accompanied by Fr. Samuel, led the team on a journey to explore Annecy, tracing the footsteps of our founder and patron. The third phase, held in Rome, was led by Fr. Jose Cherianthara, the General Bursar and Local Superior of Procura Generale, along with MSFS student-fathers.

The retreat began with five days of reflection in the mother house of the Sisters of the Cross of Chavanod at Chavanod. This phase allowed us to gain profound insights into the lives and legacies of our Patron St. Francis de Sales and our Founder Fr. Mermier. We visited significant places, delved into their struggles, and celebrated their remarkable accomplishments. We had the privilege of exploring the rich heritage and culture of our congregation by visiting MSFS establishments in the mother province. The pilgrimage culminated with a visit to the heart of the church in Rome.

Despite the limited two-week timeframe, this pilgrimage exceeded all our expectations. The tour was led with great sensitivity, allowing us to embrace the spiritual and historical dimensions fully. It provided us with a profound perspective on the spirit and spirituality of our Founder and Patron. The trip was a deeply uplifting spiritual experience. At every holy site we visited, we keenly felt the presence and love of God. We considered ourselves truly fortunate and privileged. The accommodations, activities, and various sites we explored were all exceptional, leaving us immensely grateful for the extraordinary experiences we shared during these past days.
